Seminar on “Classification principle, Procurement from unregistered persons under RCM”

Programme:
8th September, 2017

As we move forward into a new Indirect tax regime GST, the session is planned to discuss the importance of principles of classification, and purchases from unregistered persons under RCM Sec 9(3) and (4) of CGST. Purchases made from Un Registered person puts the onus to discharge the tax liability on the buyer resulting in significant increase in compliance cost and blocking of Working Capital. The session is planned to give a overall view of the current regime and the importance of proper classification and procurement.
